

MICROBLADING FEES AND POLICIES

Please read carefully and initial where indicated.

- * A 30-minute consultation is required prior to having a Microblading service.
- * A free, no obligation consultation is offered and takes about 15-30 minutes.
- * The cost of the Microblading procedure will be fully discussed in advance and split payment plans are available if agreed in advance. Cost will include the initial session and the second procedure 6-8 weeks later.
- * A £50 booking deposit is required in advance and this will secure your 2-2.5 hour slot allowed for the procedure. Booking deposits are non-refundable, unless there is severe reaction during the patch test time. Deposits are also retained if the appointment is cancelled less than 48 hours prior to procedure and during rescheduling times.
- * If you require a third treatment an addition fee will apply.
- * Colour Boost fees apply after 6+ months. See prices on website for Colour boosts.

_____ (initial) I have read and fully understand the policies and any questions I have about the fees and policies have been answered and fully explained to me.
