

Lash lift Aftercare

- **Don't wear any eye make-up for at least 24 hours**
- **No other eye treatments in 24 hours**
- **No eye make-up remover or water on lashes for 24 hours**
- **If any irritation occurs please contact Therabeautic and if it persists please seek medical advice**
- **Eyelash curlers are fine to use once the lift starts wearing off**
- **Mascara can be worn after 24 hours and will enhance the effect**
- **Humidity can cause lashes to drop quicker than usual**
- **Repeat treatment every 6-8 weeks**
