

Microneedling

Post-treatment instructions

Aftercare is critical for achieving your healthiest-looking skin, so here is what to do:

4 hours after

Do not touch your face for a minimum of 4 hours

Up to 12 hours after

Do not wash your face or apply make-up

Up to 48 hours after

You may wash your face with water and apply the post care treatment product as often as required.

Apply lip and eye product if these areas are feeling dehydrated.

Up to 72 hours after

- Avoid sweaty exercise and sun exposure and chlorine
- Avoid active skin care and skin treatments (including AHA/BHAs, exfoliants, Vitamin A and retinols)
- If you must wear make-up, use mineral-based, oil-free make-up
- Do not pick or peel during the healing process

Should you have any concerns after your treatment, please contact Marina at Therabeautic.
